Nurture ~ Believe ~ Discover ~ Achieve

OUR CHRISTIAN VISION

Our vision for Woodstock CE Primary School reflects a passionate commitment to learning and recognition of the uniqueness of individual learners. Guided by our Christian values, it is driven by our desire to offer the best possible education for our pupils in partnership with parents, the Church and the local community.

Woodstock CE Primary School will be a centre for learning where adults and children:

- ✓ **Nurture** and prioritise wellbeing and development.
- ✓ **Believe** in themselves and in each other.
- ✓ **Discover** their own strengths and become successful lifelong learners.
- ✓ **Achieve** more than they ever thought possible.

OUR CHRISTIAN ETHOS

Recognising our historic foundation, we will preserve and develop our religious character in accordance with the principles of the Church of England and in partnership with the Churches at parish and diocesan level.

Woodstock CE Primary School strives to be an inclusive community where children grow, learn and achieve together. Within a nurturing, supportive and safe environment, mental health and wellbeing is at the heart of everything we do and recognised as the responsibility of all. Children's natural curiosity is fostered through a creative curriculum that excites and challenges, and enables them to be successful learners. Supported by a culture of equality and aspiration we aim to remove disadvantage so that every child can thrive.

We are committed to providing an education of the highest quality within the context of Christian belief and practice. We encourage an understanding of the meaning and significance of faith, and promote Christian values through the experience we offer to all our pupils.

"For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29, v11

Use of School Premises

The use of school premises both during and outside school hours is under the control of the governing body of all schools, subject to any directions that may be given to the Authority, (for example concerning the availability for community use) and other statutory requirements.

If a school has space it does not need for its own use, the Authority (Planning & Development), in consultation with governors, will determine whether or not it can be used to accommodate another Children, Education & Families service, council, community or private sector user. This would be outside the hire arrangements. Any reimbursement of, or contribution to, running costs would be in accordance with LMS arrangements for non-school users or the terms of any licence or lease arranged by the Council with a community or private sector user.

Headteachers and governors are directed to ensure that no proposal to hire accommodation on a regular basis during school hours is entered into without prior consultation with, and the written approval of Planning & Development in Children, Education & Families. This not only safeguards the Authority's ability to use accommodation, but also protects schools from entering unintentionally into legally binding, long term commitments.

The governors of a school shall make accommodation available, free of charge, during school hours for activities arranged by the Council to carry out its functions if the accommodation is not required by the school and the use does not affect the operation of the school. Such activities would include use for public consultation, in-service training and meetings. Schools can charge for additional costs incurred.

All schools are advised to consider the implications and consequences of hiring out premises and any disruption or nuisance to the local community. They must be assured that the purpose for which the premises are hired will not result in controversy, disrepute, legal action or disorderly behaviour. If in doubt, obtain advice from Planning & Development in Children, Education & Families.

School accommodation can be used for coping with civil emergencies. Planning & Development hold a list of schools which can be used as rest centres for people evacuated from their homes in an emergency.

Responsibilities

Governors are responsible for hiring procedures, arrangements and conditions. They must ensure they incorporate all the advice, guidance and requirements of the Council in order to safeguard users, buildings, equipment and sites and cover the legal liabilities of the governors and the Council in the event of accident or damage. Failure to do so may result in governors being liable for claims.

All hirers must have a valid enhanced DSS and either provide their organisation's Safeguarding Policy and procedures or adopt the school's.

Governors must ensure that the area, and any furniture or equipment, being hired is in a suitable condition for use by the hirer. It should be made clear what is or is not available for use.

The Governing Body must ensure, as far as is reasonably practicable, that there are no risks to health and safety. This duty extends to the rooms or pitches being hired, corridors, staircases and paths used to access the premises and the accommodation, toilets, furniture and equipment used. The procedures adopted by the school for the safe

hire of premises and use outside school hours should be outlined in the School's Health & Safety policies and procedures.

If the accommodation is to be used at night, suitable fire exit and emergency lighting to escape routes must be in place to allow users to evacuate safely.

All areas that are hired must be accessible to people with special needs and disabilities. This includes access to an adapted toilet. It is illegal to discriminate against disabled people in the provision of non-educational services. Governors must ensure that this forms part of the School Access Action Plan.

Schools can use any hire income surplus or their Devolved Formula Capital allocations to develop community use of facilities and for integrating education and other Council services within the school. Sub-metering of services to help calculate costs, improved heating controls, improved access and entrance arrangements and refurbishment would come under this category.

A Governing Body may delegate its functions relating to the use of school premises out of hours to a committee, which can include non-governor members. Where it does so, it may confer voting rights on the non-members.

Governors cannot delegate the responsibility for drawing up hire documents, procedures and conditions to another body such as the PTA. While they can arrange for the PTA to act as their managing agents in applying their procedures and taking bookings, they remain responsible for, and in control of, the premises and the hire approval.

The Governing Body must have regard to the desirability of the premises being made available (when not required by, or in conjunction with, the school) for use by members of the community served by the school.

For every hire, the hirer must complete, sign and retain a copy of a hire form and be given a copy of the full conditions of hire.

Conditions

Model forms for accommodation, playing field and pool hire, and the Council's conditions of hire are reproduced on the following pages. While governors can adapt the format of the hire form, the basic information must appear in their versions. The Council's general conditions cannot be reduced, but they can be added to with details of security arrangements, specific school requirements, etc. Hirers of pools must be given the general conditions as well as those relating to pools.

All hirers must be given written details of emergency arrangements (including means of escape) and details of the location of an available telephone.

Governors are responsible for the security of school premises when they are hired out to other users. Keys will not be given out to hirers except in exceptional circumstances and when agreed by the Headteacher, SBM and governors. The school will be locked/unlocked by an employee or a Governor. The Council's Insurer requires that we keep the issue of keys to a minimum.

Any entertainment, public assembly or liquor licence required will need to be obtained either by the school or the hirer.

The conditions of any licence must be adhered to by the hirer, who must be given full details. At schools where there are trust deeds, schools must check the deeds for any covenants which may prevent entertainment or consumption of alcohol on the premises.

No smoking is allowed in all general areas of Council work places. Smoking is not allowed anywhere on the school property (grounds or building).

The hirers are not allowed to sub-let the premises to another person or organisation.

In-line with the school's safeguarding policies and procedures, the hirers must be over the age of 18, and the organisation must not be from an unlawful or extremist background.

Insurance

All hirers must be covered by their own public liability insurance with indemnity of at least £5,000,000.

Charges

Governors will review the charge they consider is appropriate for hire at the Autumn Term meeting of the Finance & Personnel Committee. Governors will bear in mind the additional heating, lighting and cleaning costs associated with an out of school hours' activity as well as any overtime payments to caretakers.

The delegated School budget cannot be used to subsidise community use so non-school use must be self-financing.

Whilst the Governors have chosen not to subsidise any users, the hire charge agreed will reflect the Governing Body's decision to keep costs as low as possible to encourage curriculum and community use.

All income generated from the hire of premises will be retained fully by the school.

The hire documents will make it clear to the hirer what will happen to any payments made if the hirer cancels the hire or the hire does not take place.

VAT

Charges for hiring of halls and classrooms are usually exempt from VAT. Sports facilities are subject to VAT except when certain conditions are met for a series of ten or more hirings by a school, club or association. The hire of catering facilities for use by the hirer will similarly be exempt from VAT but any catering provided by the school to the hirer will be standard rated.

Hire of Playing Fields

This should be treated in the same way as the hire of any part of the school. Governors and Schools must ensure that the pitches are properly maintained and are in a suitable condition for the purposes of the hire. Suitable changing accommodation for sporting activities should be made available as part of the hire agreement.

Use by Parish Councils

The Local Government Act 1972 (Part IV Section 134) allows a parish council to use a suitable room in school premises maintained by the Education Authority free of charge at all reasonable times.

Rooms may be used at schools for parish or parish council meetings, provided there is no interference with their use for educational purposes.

Any additional costs incurred by the Governing Body for heating, lighting and caretaker's overtime, and costs of repairs to any damage, can be charged to the parish council.

After School Clubs and Activities

If these are organised and run by the School, no licence, lease or hire agreement is required. A member of the teaching staff must be involved in every session.

If organised and run by another body/individual, governors are advised to enter into a formal hire agreement or to take legal/valuer advice to enter into a transfer of control agreements. In most instances schools are advised to treat them as hire arrangements.

A hire agreement should not be longer than a term (a year at discretion of the SBM) at a time and must include full conditions and a signed hire form even if no charge is made.

The governors have adopted the policy of Oxfordshire Country Council for the Hire of School premises.

A hire charge of £12 an hour has been agreed for the use of the hall. Other lettings will be considered and the cost reviewed subject to requirements.
