

As a school we are committed to:

- Creating a happy, purposeful and safe environment, based on a spirit of co-operation with families, the Church and the local community.
- Providing a broad, challenging and enriched curriculum that enables all children to become successful learners, develop their full potential and achieve the highest educational standards they can.
- Helping children develop enquiring minds, to think for themselves, and work creatively, critically and reflectively.
- Promoting Christian values, and fostering positive attitudes to all people, races and religions
- Nurturing self-esteem through the celebration of endeavours and successes in all areas of a child's life.
- Preparing children to become responsible citizens who make a positive contribution to society.
- Engaging and helping parents in actively supporting their children's learning and development.
- Fostering respect for the environment.
- Providing encouragement and opportunity for staff to develop their own learning and challenge others to do the same.
- Fostering emotional wellbeing and healthy lifestyle choices.

Christian Ethos:

Woodstock CE Primary School strives to be an inclusive community where children grow, learn and achieve together. Within a nurturing, supportive and safe environment, mental health and wellbeing is at the heart of everything we do and recognised as the responsibility of all. Children's natural curiosity is fostered through a creative curriculum that excites and challenges, and enables them to be successful learners. Supported by a culture of equality and aspiration we aim to remove disadvantage so that every child can thrive.

We are committed to providing an education of the highest quality within the context of Christian belief and practice. We encourage an understanding of the meaning and significance of faith, and promote Christian values through the experience we offer to all our pupils.

Homework:

Homework can make an important contribution to children's progress at school. As well as reinforcing learning in the classroom, homework helps children to develop the skills and attitudes they will need for successful independent lifelong learning.

As a parent I will try my best to:

- Promote high attendance, punctuality and see that my child has everything they need for school (packed lunch, PE kit, swimwear, Home-School Links Book, reading book, etc).
- Inform the school on the first day of absence if my child is unable to attend school.
- Let the school know about any problems or concerns that might affect my child's work or behaviour.
- Support and work with the school to encourage my child to be respectful and behave well.
- Attend Parents' Evenings and discussions about my child's progress.
- Encourage and support my child in homework and other opportunities for home learning.
