

Nursery Weekly News

28.03.24

Last week we were spotting lots of signs of Spring in the garden. On our Spring walk, we saw lots of buds, blossom, and Spring flowers. Perhaps you can spot signs of Spring when you are out and about and see if the children can remember some of the vocabulary. We have talked about spring being a time for babies to be born and have been matching up adult animals with their babies. Hopefully they have been picking up names of baby animals we have been talking about. This week we will be learning some Spring songs and rhymes and learning more about Easter and traditions.

After the Easter Break, we would like to offer the children the chance to take a books home to share from Nursery. To do this the children will need a school bookbag to keep the books in the best condition we can. The bookbags are available to order from the school website https://pmgschoolwear.co.uk/school/woodstockcofeprimaryschool_woo

Thank you for a lovely term and we wish you all a very Happy Easter.

Best wishes
Ellie Green & Kelly McIlroy

Spring Term

Spring Home Learning Challenge

Go for a walk with a grown-up and look out for any signs of spring. You could draw a picture to show everyone what you saw.

Draw a picture of a flower. Remember to draw some petals, a stem and some leaves on your flower.

During spring, lots of animals have their babies. Find out the names of these baby animals: pig, sheep and duck.

Can you name anymore baby animals?
