Hand in hand we...
Love | Learn | Flourish

Our Christian Vision & Values

Our Christian vision states that we:

Clear a path for a lifelong journey of exploration and growth, through an innovative and challenging curriculum, inspiring all in our community to be courageous advocates and global citizens. Everyone can find their light and shine it brightly. Hand in hand, we love, learn and flourish together.

'In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.' *'Let your light shine'* Matthew 5:16

Our core Christian values allow us to deliver the Christian vision:

Publication Scheme on information available under the Freedom of Information Act 2000

The Governing Body is responsible for maintenance of this scheme.

Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish.
- The manner in which the information will be published.
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

Aims and Objectives

The school aims to:

- Enable every child to fulfil their learning potential, with education that meets the needs of each child.
- Help every child develop the skills, knowledge and personal qualities needed for life and work.

This publication scheme is a means of showing how we are pursuing these aims.

Categories of Information Published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* – information published in the school prospectus.

- *School Profile and other information relating to the governing body* – information published in the School Profile and in other governing body documents.
- *Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum.
- *School Policies and other information related to the school* - information about policies that relate to the school in general.

Paying for Information

Information published on our website is free, although you may incur costs from your Internet service provider. If you do not have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
